**Disciplinary Action Taken by the State Liquor Authority  
at the November 14th Full Board Meeting**

The Members of the New York State Liquor Authority (SLA) held a regular Full Board meeting on Wednesday, November 14, 2007. Disciplinary actions taken by the Members of the Board, Chairman Daniel B. Boyle and Commissioner Noreen Healey, include the revocation of 15 alcoholic beverage licenses, cancellation of 7 , and the suspension of 6 licenses including 1 "Summary Suspension".

"Licensees that fail to comply with the law pose a serious risk to public health and safety," said Chairman Boyle. "The State Liquor Authority will continue to do our part in making the state safer by holding licensees accountable for their actions."

Under the Alcoholic Beverage Control Law, a Revocation terminates a business's license and bans the licensee from holding any alcoholic beverage license for a period of two years. A Cancellation also terminates the license, but does not ban the licensee from applying for a license for two years. A Suspension prohibits the consumption or sale of alcoholic beverages for a designated period.

In addition, Board Members voted to fine 118 licensees \$381,050.00 and claimed 11 bonds for \$11,000. A Bond Claim is a claim made against the licensee's surety bond, which is a requirement for holding a liquor license.

The chart below shows all Revocations, Cancellations and Suspensions imposed by the Board at the November 14th meeting. To ensure prompt investigations, compliance with the Alcoholic Beverage Control Law and for the convenience of licensees and community members, the SLA is separated into three geographical zones. Zone 1 includes New York City, Long Island and Westchester County. Zone 2 includes the Capital Region, the Mohawk Valley, the North Country, Central New York, the Finger Lakes and part of the Southern Tier. Zone 3 includes part of the Southern Tier and all of Western New York. Before going to the Full Board, disciplinary matters have been investigated by the SLA Enforcement Unit or been referred to the Authority's Office of Counsel by local law enforcement or another government agency. Each case is examined on its individual merits before the Members of the Authority make their final determination.

The State Liquor Authority regulates and controls the manufacture, sale and distribution of alcoholic beverages within the State. The Authority works with local law enforcement agencies and localities across the State to ensure compliance with the Alcoholic Beverage Control Law. In addition, the Authority issues and renews licenses and permits to manufacturers, distributors, wholesalers and retailers of alcoholic beverages.
