Statement from Chairman Daniel B. Boyle Announcing the “New” State Liquor Authority Newsletter

Today, I am pleased to announce the return of the State Liquor Authority’s newsletter, after a nearly 65 year break. Suspended in the midst of World War II due to rationing and labor constraints, today we resuscitate this publication sharing many of our predecessors’ goals including; raising public awareness, building on our statewide partnerships, and working with licensees, community groups and local law enforcement to ensure the protection of public health and safety and efficiently regulate the industry in a fair and consistent manner.

The State Liquor Authority welcomes your comments and suggestions. As we move forward, continuously working to improve our agency, your feedback is essential.
