STATE OF NEW YORK

LIQUOR AUTHORITY

TO: ALL LICENSED CATERERS  
SUBJECT: NEW YEAR'S EVE RESERVATIONS

The Authority has been informed that licensed catering establishments are accepting reservations for New Year's Eve from the general public.

A catering license authorizes the holder thereof to sell alcoholic beverages at retail during such periods of time as a function, occasion or event is in progress therein, and then only to persons invited to and attending such functions, occasions or events and only for consumption on the premises where sold.

The acceptance of New Year's Eve reservations from the general public, or the advertising or solicitation thereof by the caterer is not authorized by the Alcoholic Beverage Control Law and such action subjects the catering licensee to disciplinary proceedings.
